

Cookie Policy

Procur3d Consulting Ltd

Effective 30th September 2026 · Version 1.0

1. About this policy

This Cookie Policy explains how Procur3d Consulting Ltd (“Procur3d”, “we”, “us”) uses cookies and similar technologies on our website at www.procur3d.com. It should be read together with our Client, Supplier & Website Privacy Notice, which explains how we handle personal data more generally. Our website is hosted on the Wix platform.

2. What cookies are

Cookies are small text files placed on your device when you visit a website. They help the website work, remember your preferences, and give the website owner information about how the site is used. Similar technologies, such as pixels and local storage, work in comparable ways and are covered by this policy.

3. How we use cookies, and your consent

We use a small number of cookies that are strictly necessary for the website to work; these are always active. Anything else is used only with your consent. When you first visit the site, a cookie banner (provided by Usercentrics) lets you accept or reject non-essential cookies; rejecting is as easy as accepting, and non-essential services — such as the embedded map — do not load until you consent. You can change or withdraw your choice at any time (see section 5).

4. The services and cookies we use

The services currently used on our website are:

Service	Provider	Category	What it does	Consent needed?
Usercentrics for Wix	Usercentrics GmbH	Essential	Shows the cookie banner and stores your cookie choices, with a consent identifier so that we can evidence the choice you made.	No
Wix	Wix.com Ltd	Essential	Hosts and operates the website, including security and load balancing.	No
Wix Chat	Wix.com Ltd	Essential	Provides the chat function on the website.	No
Google Maps	Google LLC	Analytical (non-essential)	Displays an interactive map showing where we are. When it loads, Google may set cookies and receive your IP address.	Yes

We do not use advertising or targeting cookies. The names, purposes and storage periods of the individual cookies each service uses are listed in the cookie banner: select Cookie settings, choose the Services tab and expand the service.

5. Managing your cookies

You can change or withdraw your consent at any time using the Cookie settings link on our website, which reopens the cookie banner. You can also control cookies through your browser settings, including deleting cookies already stored and blocking new ones, although blocking strictly necessary cookies may stop parts of the site working. Your browser's help pages explain how.

6. Changes to this policy

We review this policy regularly and update it when the services on our website or the law change. The current version is published on our website.

7. Contact and complaints

If you have any questions about our use of cookies, contact our Data Protection Lead at admin@procur3d.com, or write to: Data Protection Lead, Procur3d Consulting Ltd, 3rd Floor, 86–90 Paul Street, London EC2A 4NE. You also have the right to complain to the Information Commissioner's Office: ico.org.uk | 0303 123 1113 | Wycliffe House, Water Lane, Wilmslow, Cheshire SK9 5AF.
